**Modular Jack Boxes**  
1116697-X, 1116698-X

**Description**  
AMP NETCONNECT Modular Jack Boxes provide surface mounting for unshielded 110Connect Modular Jacks and unshielded SL Series Toolless Jacks. They are available in 1- and 2-port sizes, in light almond, black, white, NEMA gray and electrical ivory. Both boxes have knockouts for icons. Unshielded jacks are purchased separately.

**Specification (Text in brackets [ ] requires a choice.)**  
Where required, work area outlets shall be constructed utilizing NETCONNECT [1- or 2-port] Modular Jack Boxes, colored [almond, black, white, gray, electrical ivory]. Each outlet shall be provided with [define connector requirements]. Each port shall be provided with an icon to identify the port function. The Modular Jack Boxes shall be AMP part number [1116697-X or 1116698-X].
